Executive Director
San Pedro Business Improvement District

Lorena,

Thank you for your kind offer this morning at the SAN PEDRO PROPERTY OWNERS ALLIANCE BOARD OF DIRECTORS MONTHLY MEETING to refund the BID assessment on my property. This offer has already generated some interest from other stakeholders. Could you let me know if this offer is available to any property owner in the BID, just residential property owners, or if it is only available to me?

Also, would this refund be something I would have to apply for annually or will it apply for the duration of my residence in the BID?

Thanks,

Bruce Ecker
